How parents may support learning

At Nissi Junior School we encourage parents to be our partners in their child's learning. Are there any ways you are willing to support our teachers in delivering a rich and interesting learning program, either as a one off or a continuous activity?

- Musical abilities
- Drama talents
- Listening to children read
- Member of parent teacher Association
- Share expertise from work
- Running an after-school club
- Sport skills
- Cooking skills
- Traditional story telling
- Local languages

Health Conditions

Please list any health allergies/ medication that we should be aware of:

.....

Any other information about your child that you feel we should know?

Declaration

I declare that the above information is correct. I permit my child full participation in the activities which the school includes in the curriculum.

Parent/Guardian's Name:

Parent/Guardian's Signature: Date:

Parental pledge

In order to deliver a quality education and efficient school for your child, it is critical that we receive fees in a timely manner. We therefore require a commitment from the parents to sign below by the parent or guardian responsible for paying fees and the parent/ guardian responsible for ensuring the child comes to school every day (if different).

Fees payment

I, the undersigned, the parent/guardian to _____, commit to paying all fees prior to the payment deadline dates communicated by the School.

I take responsibility to ensure I know what the payment dates are each term.

I understand and agree that my child/ children will not attend school after those payment deadline dates until such a time as all those fees are cleared.

I understand that the total term school fees will be due regardless of when my children return to school, and that fees once paid are not refundable.

Other responsibilities of the parent

I, the parent/guardian, commit to ensuring my child attends school on every school day, and arrives to school each day on time. Should there be extenuating circumstances that would prevent my child from being able to come to school, this will be communicated to the school ahead of time. If my child/ children is/ are sick, they will be kept home, and communication given to the school.

I commit to ensuring my child is given structured time for homework, and will read with my child regularly, and sign the homework each day.

I will ensure my child comes to school with the equipment and uniform they need for the day, including stocked pencil case, water bottle, handkerchief

Digital images

I accept that pictures of my child may be taken at school and used for marketing purposes such as social media or put on our website. Should you object to this, please communicate in writing to the office.

Nissi Education services

Kirowoza, Mukono District

P.O. Box 24962, Kampala, Uganda

Welcome to NISSI Junior School – Mukono

Nissi Junior School is located in Kazinga cell, Kirowooza village, Goma Subcounty in Mukono Municipality, Mukono District. The school is part of Nissi Education Services and fully registered and recognized by the ministry of Education and Sports with UNEB Registration No: 300617. The school provides an academic environment that permits learning, wholistic growth and play of the child. It is fully registered with Ministry of Education and Sports.

The school is carefully set up with ample spaces, ensuring that there is enough space for the children for both learning and play. Nissi Junior School is foundationally rooted in the Christian faith. At Nissi Junior, we value diversity, equity, respect and inclusion.

The school offers UNEB education but with a global standard of teaching and assessment

Pupils at Nissi Junior School will embrace a sense of global responsibility through academics and co-curricular activities.

We embrace the call for transformational education hence our goal is to form knowledgeable and skilled learners who are aware of their responsibilities in a competitive, interconnected and changing world.

Nissi Junior School supports a generation of learners and future leaders that can imagine, innovate and inspire through embracing challenge and change in our dynamic world.

The School aims to be a happy, positive and respectful place where children develop love for learning to be critical thinkers, imaginative problem-solvers and creative innovators that inspire change.

Learners are encouraged to explore and learn through a wide range of subjects, and are inspired to achieve personal excellence.

Why Nissi Junior School?

Nissi Junior School is a community of learners, friends, educators and leaders, purposefully developed to deliver quality wholistic education. While everyone's journey is unique and must be nurtured, when your child enters

the doors of Nissi each and every school day, they will be treated with respect, love and compassion. They will be challenged academically, asked to contribute to society and taught the importance of a life well lived.

Our Vision

Nissi Junior school will be a center of excellence for nurturing learners for self and community transformation through education

Our mission

our mission is to provide affordable quality education that nurtures the child's confidence and positive self-image

Our Motto: Raising Academic Giants with Godly Character

Our Philosophy

The philosophy of Nissi Junior School is that Education transforms individuals and society since learners and educators constantly engage in learning for the purpose of coming to self-understanding.
